¹ The **Status** of a State's participation in treaties and organizations is defined in terms of its membership of and adherence to international organizations, treaties and agreements. A **State Party** fulfilled and implemented domestic legislative legal practices to bring about the legal application of the Treaty on the government and other entities to which the Treaty is applicable, such as formal approval by parliament or legislative bodies, and the Treaty is formally declared to be applicable on the State Party, and the required legal instrument of ratification has been duly deposited with the depositary. A **Signatory State** refers to a State whose competent authority or representative has affixed its signature to a Treaty text thus indicating acceptance of the Treaty and a commitment not to undertake any actions that would undermine the purpose of the Treaty, according to the Vienna Convention on the Law of Treaties, pending formal ratification.

² Membership requires ratification of the Chemical Weapons Convention.

³ Pakistan's signature and ratification is necessary for entry-into-force of the CTBT.

 $^{^4}$ A set of voluntary confidence building measures agreed to at the Second Review Conference of the States party to the BTWC (1986) under Article V.

⁵ Pakistan has never submitted a BTWC CBM report.

⁶ By a note of 13 April 1960, Pakistan informed the depositary Government that it was a party to the Protocol by virtue of Paragraph 4 of the Annex to the Indian Independence Act of 1947.
